

Year through the Bible– Parables of Jesus

September 27

Participant Copy

Opening: Each class will begin with a review of the questions from the readings of dimension one in your student book. For those not using a student book, these are the questions to consider before class section of your daily Bible plan given out the previous week.

Questions to consider as a class:

1) What are the four situations in which the seed was sown in the parable of the sower?

2) According to Mark, why did "everything come [from Jesus] in parables?"

3) What did the seed symbolize?

Deeper Discussion (these sections will be offered by your leader/facilitator as there are many options for more conversation in the leader's guide):

What does the Bible say?

What does the Bible mean?

What does the Bible mean to us?

Class Participant Daily Bible Plan- week of October 28th

(in preparation for sermon on October 4th, 2020)

Jennifer will be leading this week and using her own lesson. The readings each day are short, 2-3 verses. They are complex though when we consider our world today and our role as disciples. Please read them prayerfully and spend time with each of the assigned daily readings.

Go deeper with daily study and reflections:

Monday: Matthew 5:1-3

Tuesday: Matthew 5:4-5

Wednesday: Matthew 5:6

Thursday: Matthew 5:7-8

Friday: Matthew 5:9-10

Saturday: Matthew 5:11-12

Sunday: Re-read Matthew 5:1-12

Use this space for time to pray and talk with God this week.
