

Camp Love S'more VBS was a beautiful week of learning to love God by caring for creation! Our 87 campers picked up litter, sorted recycling, did experiments with thermometers and experienced walking long distances to find water and then carrying it back. They created nature crafts, sang songs about creation and the goodness of God, and made a huge impact by raising \$1401 for our Zoe communities. Kids also painted our Free Little Library that will sit in front of our church, so we can support literacy and practice reusing. We hope these will be lessons our kids and volunteers will remember for months and years to come.

Camp Love S'more VBS 2023 would not have been possible without the time and efforts of the following people:
